KOETTER

SIMPLICITY SERIES DOORS

THE SIMPLICITY SERIES

Don't compromise on quality when it comes to your paint-grade doors.

The **Simplicity Door Collection** from Koetter Woodworking delivers authentic stile and rail construction, featuring solid hardwood, stave core stiles, all at a competitive price point.

Choose from **six popular styles**, designed to complement your project without sacrificing craftsmanship or performance.

KEY FEATURES:

- Available in **1-3/8" or 1-3/4" thickness**
- **Square sticking** with **MDF flat panel** construction
- Sizes up to **8'0" tall** and **4'0" wide**
- **20-minute fire-rated doors** available
- Stiles built with **solid hardwood cores** and robust **1/4" MDF faces**
- **Solid wood dowels** for added strength and long-term durability
- Intermediate rails are **recessed 3/16"**, glued, and pinned into the panel face for added integrity
- Factory primed
- Ships in just **15 production days**!
