INTRODUCING BAYSHORE!

Masonite is excited to announce the launch of the new and highly anticipated molded interior door design – **Bayshore!**

We developed the Bayshore in response to continued growth and popularity of recessed/shaker style molded interior doors. The Bayshore features 5-equal panels, and is a welcome addition to our design-patented, Heritage Series product line.

WHAT MAKES BAYSHORE DIFFERENT?

- Witness lines and feature lines create superior aesthetics with a cleaner stile and rail shaker panel-profile
- Complies with 10" bottom rail
ADA regulations for all sizes

Bayshore 8'0" design features 6-panels
